Advocate & Celebrate Teamwork

At a team meeting or event, remind your crew of the importance of teamwork, and let them know you recognize and appreciate their efforts as team players. Present each person with a “teamwork” gift item from Positive Promotions, and give the following speech to make the moment memorable.

The Power of Teamwork

It takes a team to succeed; no one can do it alone. As Vince Lombardi said, “Individual commitment to a group effort—that is what makes a team work, a company work, a society work, a civilization work.”

Each of us here plays an invaluable role, and when we combine our talents and abilities, great things can happen. We know it’s true because we’ve seen the power of teamwork again and again. When we all get behind shared goals and values, and make our unique contributions to the group effort, everyone achieves more. Through your commitment to working together, we can all reach new heights of success.
